Upcoming Events

- May 11 - Connection Cafe @ 10:30 AM
- May 13 - Mother's Day Paint & Tea Fun Night @ 5:00 PM
- May 27-31 - No School

Connection Cafe Recap

MOTIVATE YOUR KIDS

SET A GOOD EXAMPLE

Do you want your child to do her best? Then you need to do your best (and make sure your child sees you doing it).

GIVE PRAISE FOR EFFORT

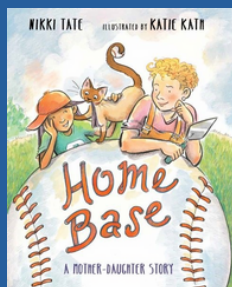

Your child may not pick up everything on the first try. That's why it's important to teach your child that effort is just as important as the final results.

STAY CALM & MOM ON

We totally get it... it is frustrating at times when we feel like we repeating ourselves a bajillion times and still nothing is being done or we are just not getting through to our kids. But here's the deal sister... criticising or yelling is one sure way to get your child to stop trying.

Book of the Week

Home Base: A Mother-Daughter Story
by Nikki Tate

Weekly Highlights

This week, we celebrate Arbor Day by having our students plant a tree, kindly donated by the Barnegat & Ocean County Shade Tree Commission!

Our students also showcased their recycling skills in our display case. These are just a few of our favorites!

Classroom Spotlight: Mrs. Hazelet & Mrs. Guenther

Mrs. Hazelet's class put their predictions to the test in an experiment about decomposition! They added peaches, milk, a banana peel, a piece of bread, and a lego to a sealed container and drew pictures about what they thought would happen to each item after a few weeks in the jar.

Mrs. Guenther's class celebrated Earth Day by making their own planet Earth by making puffy paint, made by mixing shaving cream, glue, and acrylic paint, and a paper plate. Reduce, reuse, and recycle!
