Chain of Command/Implementation of IEP's

Many parental questions are easily answered by communicating directly with the educator in charge of the class or program. Each situation should first be addressed at whatever level the initial action was taken, with appeals moving on to the next level on the chain of command. The easiest way to communicate would be by email (example: John Smith = jsmith@barnegatschools.com). A phone call would be the next preferable way to communicate.
