

What is a County Council for Young Children (CCYC)?

CCYC is a group of parents that become active leaders, along with community partners; they both share ideas and learn about issues that affect the health, education and wellbeing of children. CCYC works on influencing the community to make it a healthier place to raise a child. CCYC helps build stronger connections for children and families.

CCYC has partnerships with many organizations to bring these programs to your community:

- Eat Healthy, Be Active- 6 part nutritional series
- Walker/Biker Safety- helmet raffle
- COVID-19 Information
- Marketplace & Health Insurance Information
