## Promoting Learners to Achieve Now

A collaborative effort between Barnegat Township School District and  
Ocean County College

BHS and OCC  
have been  
working  
towards this  
program since  
summer of  
2020; Barnegat  
is the first  
to pilot!

# Goal of P.L.A.N.

To offer a flexible program whereby Barnegat High School students can complete freshman year of college prior to high school graduation.

- Program completion: *At least 24 credits* completed through OCC prior to HS graduation
- Classes can be achieved through **multiple methods:**
- **Method 1:** Early College classes (formerly Jump Start) at OCC's Southern Education Center;
- **Method 2:** Early College at Barnegat High School
- **Method 3:** Mix and Match (Combination of 1 & 2)

# P.L.A.N. Requirements

- Early College at Barnegat High School
- Early College at Ocean County College
- Both options require:
  - Barnegat HS Counseling Dept. approval
  - Ocean application via [www.ocean.edu](http://www.ocean.edu)
  - Registration form with parent/guardian approval

# P.L.A.N. Advantages

- Access to collegiate support and advising
- A jump start to post-secondary education

  - *Research on dual enrollment suggests that students who enroll are more academically successful when they transfer schools, have an easier transition from HS to college, are less likely to need remediation, and save time & money in earning their degrees\**
- Cost savings: \$105/credit (OCC Early College tuition)
- Flexible Class Schedules
