

# ELA 6th Newsletter

April 2023

## Current Unit:

**Courage & Grit:** The theme of this unit comes from nonfiction and fiction texts that feature acts of bravery and displays of endurance.

We will be reading about how others cope with challenges and emergencies, as well as writing to describe our own experiences with hardship and difficulty.

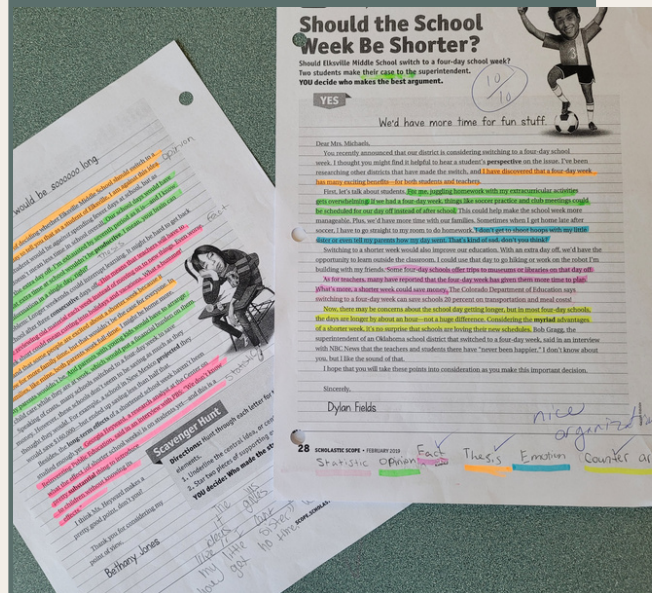

## Some Learning Goals:

- Determine an author's point of view and purpose in writing
- Integrate information presented in different formats to develop a deeper understanding of an issue
- write and critique arguments
