

Hello!

**Thank you for expressing an interest in joining the
*Donahue School 4th Grade Band!***

Attached are two forms:

~The *GREEN* form comes back to Mr. G. at Donahue. This gets you on our band member list.

~The RED and WHITE glossy flyer is from NEMC. This is Donahue's rental instrument provider. This form will direct you to rent your instrument online at **nemc.com using their **EASYRENT** website!**

When using the NEMC website, do not change any of the rental agreement settings- they are preset to work with the Donahue Band Program. Your instrument and lesson book will be delivered to the school, and you will automatically be enrolled in the NEMC damage waiver program which covers transportation, parts, labor, and loaner instruments in the case of ANY repairs that may be needed throughout the year.

Also, please remember to order a folding music stand from the accessories list for practicing at home- this is important!!!

If you happen to already *own* an instrument, please send it into the school ASAP for me to test the playability, and to determine if any repairs or maintenance need to be done.

Finally, please DO NOT EVER purchase an instrument on your own without contacting me first! I can happily guide you through that process, which is fraught with 'scams'!

Looking forward to a great year!

**Mr. Todd Gagnon
Band Director**

Learning music helps develop life skills including creative problem solving, self-expression and teamwork.

Data collected by the National Association for Music Education indicates music students are less likely to be truant, less likely to get involved with drugs and alcohol, more likely to graduate on time and more likely to go to college.

Music students outperform their peers on the SAT, scoring on average 57 points higher (verbal) and 43 points higher (math) according to reports by the College Entrance Exam Board.

NEMC makes it easy and affordable for your child to receive all these benefits of participating in your school's music program.
