Resolution of the Barnegat Township Board of Education

Participation in the Sustainable Jersey for Schools Certification Program

Whereas – The BARNEGAT TOWNSHIP Board of Education (or Board of Trustees) seeks to participate in Sustainable Jersey for Schools to focus attention and efforts on matters of sustainability and peruse initiatives that will lead to Sustainable Jersey for Schools Certification.

Whereas - The BARNEGAT TOWNSHIP Board of Education and District Superintendent seek to support and work with school staff and administrators, student and parents to ensure a safe and healthy environment for students by encouraging our school community to implement sustainable, energy- smart, eco-friendly, and cost effective solutions.

Whereas – Extensive opportunities exist to teach students about ecological, economic and social sustainability, environmental health, and nutrition; to integrate sustainability education into classroom learning; and to support students in becoming leaders in making their schools healthier and more sustainable places.

Whereas – Many options and choices exist for schools to use resources more efficiently; to reduce, reuse, and recycle; to follow Green Building Standards for construction and major renovations; to form school partnerships; to eliminate toxic chemicals; to purchase (or produce) clean energy; and to purchase recycled paper, energy-efficient equipment and other green products to protect our global environment.

Whereas – Sustainability means using resources wisely, saving money, and reducing our impact on the environment, all of which will ensure the future health, safety and prosperity of our children.

Whereas – The BARNEGAT TOWNSHIP Board of Education commits to the formation of at least one Sustainability Leadership Team (also referred to as “Green Team”), based on the guidance of Sustainable Jersey for Schools. (See the “Create A Green Team”

action. Your district "Green Team" can be designated from a pre-existing group within the district if desired.)

Whereas –Green Team members help schools adopt policies and practices addressing areas such as sustainability education and professional training, green purchasing, waste reduction, indoor air quality, energy-saving initiatives and community partnerships.

Whereas - The BARNEGAT TOWNSHIP Board of Education will encourage Green Teams at all district schools by providing networking and educational opportunities.

Therefore, it is resolved that the BARNEGAT TOWNSHIP Board of Education agrees to participate in Sustainable Jersey for Schools, and it is the board's intention to peruse certification for schools in the district.

We hereby appoint NEIL PIRO to be the district's liaison to Sustainable Jersey for Schools.

CODE OF ETHICS

Board of Education

A school board member shall abide by the following Code of Ethics for School Board Members:

1. I will uphold and enforce all laws, state board rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.
2. I will make decisions in terms of educational welfare of children and will seek to develop and maintain public schools that meet the individual needs of all children regardless of their ability, race, creed, sex or social standing.
3. I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
4. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
5. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
6. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
7. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools.
