Allergies, Reactions, Illnesses, Restrictions or Other Needs:

****PLEASE NOTE: If your child is showing symptoms of an illness or fever, please do NOT send them to attend any in-person activities that may be scheduled by your child's summer enrichment teacher, to protect the health/safety of your child & others. Students will be required to follow all social distancing guidelines while on school property & comply with the rules/policies of the school, as set forth in the student handbook, available on each school's page, under the district page at www.barnegatschools.com***

PARENTAL CONSENT: I hereby give permission for my child to attend the Summer Enrichment Program at Barnegat Township School District, which includes the optional participation in scheduled, in-person activities, projects and meetings by my child's summer enrichment teacher, to be held outside, on school grounds. I understand my child must follow social distancing guidelines and adhere to any school rules and/or policies while attending any in-person events on school grounds, or may be subject to dismissal from that activity, at which time, it is my responsibility to then pick up my child from the school. It is the parent/guardian's responsibility to pick up any child who becomes ill or injured while at any in-person activities on school grounds. Teachers or school staff will contact parents/guardians and/or emergency contacts at the phone numbers provided immediately in the case of any sickness or injury or alert emergency medical services, as needed. It is the parent/guardian's responsibility to transport the child to and from any in-person activities that may be scheduled by their child's summer enrichment teacher. Dates and times are to be announced at the discretion of the summer enrichment teacher. All in-person activities are optional. Students are not required to attend. Parents may wish to keep their children home at any and all times. Teachers will facilitate online learning for students, as well as hold Google/virtual meets to further student interaction and learning. Summer enrichment is designed to support and promote the successful learning and reinforcement of academic skills for students to prepare them for the upcoming school year. No grades or credit will be assigned.

I have completed and read this parental consent form.
