Mrs. Carroll

welcome

Welcome to the 2022-2023 school year! I am excited to learn and grow with your child this year. We have a lot of new friends this year, so we will grow and learn from each other.

In our classroom we learn through play, and we have fun doing it! My favorite time of the day is during read-aloud, because we read many wonderful and thought-provoking stories.

a little about me

I am currently in my eighth year of teaching, and this school year will be my fifth year in the Barnegat School District. I have taught preschool, kindergarten and second grade. I graduated with my undergraduate degree from William Paterson University in 2015 and went on to receive a graduate endorsement in Early Childhood Education at Monmouth University. I graduated in May 2021 with my Masters in Education. I am certified in Preschool through Third Grade.

I have a wonderful husband, a 5 year old son, and an almost two year old son! We love spending time together. In my free time I like to read, travel and go to the beach.

my favorites

Food: sunflower seeds

Music: classic rock

Place I've Been: Grand Canyon
